WORK EXPERIENCE

Uber Cab – Company Driver, 2022/01 – Current

Provided safe, timely, and professional transportation services to passengers across various city locations. Ensured high customer satisfaction through courteous service, clean vehicles, and efficient route planning using GPS and traffic apps. Handled cashless transactions, maintained a 5-star rider rating, and adhered to all local traffic and safety regulations.

Writer Safeguard – Company Driver, 2021/01 – 2022/01

Safely transported cash and valuables between banks, ATMs, and retail outlets while following strict security protocols. Worked closely with security teams to ensure secure handling, maintained accurate delivery records, and performed regular vehicle checks. Trusted for reliability, discretion, and attention to detail in high-risk environments.

21North Europ Assistance -Driver, 2019/01 – 2020/01

Served as a point of contact between clients and the company by handling the pickup and drop-off of customer vehicles for service appointments. Ensured timely and safe transportation of vehicles, provided courteous customer interaction, and communicated client feedback to the service team. Maintained records of vehicle status and upheld company standards of professionalism and care.

Thayyil Traders -Sales & Driver, 2017/01 – 2019/01

Handled sales by promoting products to clients and processing transactions. Managed deliveries and pickups, ensuring timely and safe transportation of goods while building strong customer relationships.
